Depending when you sign up, most accounts will be converted within 60 days. You should continue to pay normally until your water bill states you're on the Auto Payment Plan.

Will the appearance of my water and sewer bill change?

Yes, it will look the same, except it will read "Do Not Pay Auto Pay Plan."

What if I have a question concerning the amount of my bill?

You should contact the Water and Sewer Department at least 10 days prior to the due date of your bill.

What if there isn't enough money in my account?

You should have plenty of time to deposit money into your account, as the deduction does not take place until the due date of your bill. If there are insufficient funds, it will be treated like a bounced check and a penalty will be added to your account.

Can I withdraw from the program?
